

Monthly Meeting Minutes October 11, 2012

We started our meeting at 4pm. We had quite a few attendees. Our conference is October 27th, 2012. It is from 9am-3pm. Cassie presented a nice presentation of the overview of what will be presented at the conference.

Magoline Middleton ran for Community Outreach. We all voted and she was declared the new 2012-2013 school year Community Outreach Coordinator.

Jake Sopiars stood in front and informed us all about the new "3/5's Amendment." He offered to send us all information about it and IEA's stance on it. Across the whole country, they will have a "trick or vote." People in the organization will be knocking on doors to try and get people to vote. This will be country wide. He proposed to go door to door and try to get people to vote.
