

## **Board Meeting minutes-**

As a board, we met on Thursday September 20<sup>th</sup>. Cassie passed us an itinerary, and we went over that for the conference scheduled on **October 27<sup>th</sup>**, roughly a month away. We discussed how we need to promote the conference more on the website and Facebook page. Also we discussed how we need the conference registration link on the website, and also on BlackBoard.

Another way to advertise is colored flyers posted around campus.

An important issue is that the membership for NEA/IEA has changed. It no longer goes from Fall to Fall semester or Spring to Spring semester. You must renew your membership at the beginning of EVERY school year. To lower this cost, you can again donate school supplies of your choice to waive the local dues of \$8. The total will be \$22 for each school year.

We also discussed the idea of t-shirts for our conference. The theme is super heroes. A possible t-shirt design place would be ArtWear. (They were at the McKendree Involvement Fair and seemed fairly reasonable.)

Katelyn Kamphorst has unfortunately decided to resign her position as event coordinator, so as a board we will try to fill that position as soon as we can. Please let us know if you are interested☺.

Our regular meetings have been set to the 2<sup>nd</sup> Thursday of every month @ 4pm.

**We will meet as a board next on October 11<sup>th</sup> at 3:15 before our regular monthly meeting at 4pm.**
